TECH DRAMATISTS EMOTE TOMORROW

"Night At An Inn" To Be First, "Divided We Stand" Follows

Tomorrow night, Eliot Junior High School will be the scene of two one-act plays presented by the Drama Club. First curtain is at 8:30. See Story, page 2.

ORATOR SULMEYER TO REPRESENT WEST

Tech Orator Irving Sulmeyer will represent the western states in the finals of the Benjamin Franklin Oratorical Contest in Chicago tomorrow. First place in elimination contests held at Occidental College and in Oakland entitled him to compete against top orators from the East and Midwest. See story, page 2.

TECH NINES MEET OXY TOMORROW

Tomorrow, Tech varsity and frosh baseballers tangle with the Tigers of Oxy on the Tournament Park diamonds. Starting time is 3:00 p.m. for the varsity and 3:30 p.m. for the frosh. Story page 3.

PEDAGOGS PEER AT PERT PULCHRITUDE

Beautiful women and more beautiful women will adorn Culbertson Hall's usually drab interior tomorrow, when the contest to choose the queen of the ASCIT Spring Formal will be held at the 11:00 assembly.

In the enviable position of judges will be Dr. Clark, Dean Jones, Professor Lindvall, and Dr. McCreery. They will select the beauty to reign at the dance, which is to be held at the Riviera Country Club May 22, and award the orchid which will be given to the contest winner.

The queen and attendants will also select some lucky male who will preside as the king of the dance. The King, Queen, and attendants do not have to have any specified dates for the event, and their duties are as yet unspecified.

Contestants entering the race have been selected the past few weeks by the student houses and other student organizations.

Hopefuls for the crown are: **BARBARA BLAIR**, Dabney's entry, a long-time resident of Fullerton, and is now attending Chapman J. C. She is interested in swimming, the beach, and loves to travel.

JEAN BROWN, selected by Blacker, is from Oregon, and now lives in the city of the Stars, Hollywood. She likes driving around the California countryside, modeling, classical music, and reading.

SUE FICKER, the dark horse CITPBAA entry, comes from Pomona. She has sung at service camps during the war and judging from her collection of sailing trophies is best described as the outdoor type. She also likes dancing, singing, and is studying for the grand opera.

CHARLENE HARDEY, is Ricketts' pick. She goes to U.S.C. where she is studying radio-drama; she also models on the side. She is a member of Pi Phi sorority.

JEANNE GARD is the choice of Caltech's YMCA. She is a member of Kappa Delta at U.S.C., where she is majoring in education. She is also a member of the YWCA cabinet, Key and Scroll (women's honorary organization) and was chosen 1947 Sweetheart of Sigma Chi at U.S.C.

PAT HINES represents the

only professional society entering a contestant, the IRE. She comes from Occidental College, where she is majoring in radio and dramatics. She is a member of Zeta Phi Eta and the Mortarboard, women's honorary organization.

JO ANN JOYCE, a Kansas City gift to the glamour capital, is the Beaver entry. Recently chosen Miss Southern California and Miss Television of 1948, she models and is also fond of dramatics, singing, and outdoor sports.

BETTY SUE PARIS, chosen by the Fleming men as their queen, lives right in Pasadena. She attends P.C.C. and is majoring in child psychology. She "loves" to dance and waltz, and her affections are also given to a pet duck named Buster.

GLORIA SHOLLEN, whom Throop Club is counting on to grab the crown, has lived in the San Gabriel Valley most of her life and plans to attend P.C.C. next year. Meanwhile she is studying singing, ballet, tennis, art, and classical music. Although she hopes someday to learn to ride a horse, at present she's happy with her '48 Buick convertible.

For more vital statistics, biographical information, see the pictures, and come to the Assembly tomorrow.

Tech Theater Stages Drama

Plays Given at Eliot School, Forty Cent Admission Rate Set

It will be tomorrow night at 8:30 when the memorable curtain will rise on the annual Drama Club Production. An audience expected to top eight hundred will view the painted crew's exertions at Eliot Junior High School Auditorium, 2184 North Lake.

Two one-act plays form the piece de resistance with the Caltech Quartet serving sauce. The curtain raiser will be Lord Dunsany's immortal **A Night At An Inn**, a supernatural tale of five English soldiers of fortune, isolated in a lonely highland inn.

Farce

The assertedly-hilarious farce, **Divided We Stand** will stand for its world premiere, as the first co-ed Tech cast in over five years completes the program.

Mystery

A shroud of mystery crept over rehearsals last week when a strange female voice inquired by telephone at the publicity office. Friday evening a woman was detected eavesdropping on the rehearsal by co-star Gretchen Benton. Before identification was possible, the stranger fled. Sharon McFadden spoke of a connection between the girl and director Len Herzog, an allegation which that dramatist promptly denied.

Rehearsals

Bill Woods held dress rehearsal for **A Night At An Inn** last night; insiders are expecting a matchless performance. "The Greek play was fun last year," commented Carl Price, "but this year men are turning out more of a finished performance. With the experience we are gaining, there is no reason why Tech will not develop a truly admirable dramatic tradition."

Bouquets

Bouquets go to Mrs. Beadle who has helped to obtain hard-to-get costumes. Prop Manager Walt Mudgett's job has been marvelously eased by such assistance.

Campus Calendar

- THURSDAY, MAY 13—**
 - Upper Class Luncheon Club at the Training Table, 12:00.
 - Throop Club Meeting, 12:20 p.m.
 - Y Cabinet Meeting, Y Lounge, 7:15 p.m.

 - Glee Club Rehearsal in Throop Club, 8:30 p.m.

McKinney Prize Contest On "Life of Idealist" To Be Judged Today

The McKinney Prize Contest in English will be held today in room 206, Dabney Hall. Competing for first prize of \$75 and second prize of \$50 are Leo Breiman, Carl Price, B. D. Rudin, and James D. Young.

Judges

Judging the contest, which is limited to members of the Junior class, will be Rev. B. Rhodes Martin, Associate Minister of the First Methodist Church of Pasadena; Dr. Edwin Wright, Professor of English at Bates College, Maine; and Dr. Hunter Mead, Professor of Philosophy and Psychology at Caltech.

THE SQUARES' CIRCLE

To the Editor:

A bill, known as the "Mundt-Nixon Subversive Activities Control Act of 1948," is now before the US Congress. It has probably been passed today, Thursday, by the House.

While its purported purpose is to suppress Communist activity, the bill is loosely and hysterically drawn. For example: any organization supporting some or all of the aims of the Communist party must register under penalty of five years in prison (for president, secretary of organization) for every day late registering! Now, as the Communist party has (for reasons of its own) been supporting World Brotherhood, the UN, and opposing UMT and Militarism, any group (even Church group) could be classified as Communist Front if it followed only those four policies.

As a further example of the 80th Congress' clear thinking and intrinsic fair mindedness, debate on this law is limited to six hours (4 1/2 hours for, 1 1/2 hours against!)

The Communists will no doubt go underground and be unaffected. The liberals, moderates, pacifists, and labor people will be crucified. The law effectively puts any political organization not clearly Republican or Southern Democratic in danger of suppression at the Attorney-General's will.

Write Senators Knowland and Downey, write President Truman, and tell them you oppose it. See me for a copy of the bill.

Sincerely,

David Pollard.

SENIORS

All seniors who have not picked up their announcements and invitations should do so immediately. See Bob Davis in room 13, Fleming.

Dabney New Holder Of Lincoln Trophy

In a very close debate, Dabney successfully carried out its challenge to Blacker and annexed the Lincoln interhouse trophy for public speaking.

The debate question was "Resolved: that the government should subsidize higher education." Dabney's negative team of Kurland and Smith won by a score of 145 to Blacker's affirmative team of Heath and Valle-Riestra point total of 140.

Judging the contest were Professor John Schutz and Dr. and Mrs. Daugherty.

Upperclass Dance Hailed As Success

"The best dance of the year" is the verdict of the hundred couples who attended the Junior-Senior Garden Party last Sunday afternoon in Dabney Garden. The setting was idyllic, the sun filtered lazily through trees swaying gently in the soft spring breeze; the gentle perfume of sweet peas insinuated itself into the souls of the dancers already under the spell of Darell Brewer's music.

Dr. and Mrs. Robert Millikan along with various prominent faculty members were the honored guests. The refreshments consisted of ice cream filled cake, sherbet punch, and mints.

The Junior-Senior Prom Committee is driving ahead with plans to make this year's Prom the best in years; remember, June 11 is the date.

CES Sets Talk On Engineering Work

Monday, May 17, at 11 a.m., the Consolidated Engineering Societies will present an assembly in 201 Bridge featuring Mr. T. A. Boyd. His talk, entitled "A Glimpse of Engineering in Industry," will be supplemented with slides.

Makes Triptane

Mr. Boyd graduated from Ohio State, receiving a degree in Chemical Engineering. His work, as head of fuel and combustion research for General Motors Research Laboratory, has led him into much pioneer work on internal combustion engines. His group developed a process for making triptane, the new super fuel, during the war. He was co-discoverer of the effect of liquid compounds of lead on knock.

Brown Speaks

The CES meeting last Monday featured J. Calvin Brown speaking on "Perpetual Motion Machines." He augmented his talk with slides enabling the audience to see the elaborate and sometimes humorous schemes to disprove the Law of Conservation of Energy.

Many Activities Set for Dabneyites Weekend

The Dabney social schedule offers a full program of activities this week for those who have not yet been bitten by the finals bug.

Smoker

On Thursday evening, a boxing and wrestling smoker will be staged in the Dabney dining room. Featured in addition to the fight card will be skits presented by the various alleys in competition for the house Inter-Alley Trophy.

Beach Party

Saturday, a beach party is planned. The time will be from noon on. The place will be announced after the appropriate tide charts have been consulted to determine whether or not the area in mind will be dry.

OPEN EVENINGS

Sulmeyer Tops Western Meet

Irving Sulmeyer, outstanding Caltech orator and first place winner in recent western states collegiate eliminations, will compete against the nation's top speakers tomorrow in Chicago where the national finals of the Benjamin Franklin Oratorical Contest are being held.

Sulmeyer first won acclaim and distinction on May 4 at the Southern California Division contest held at Occidental College where he was awarded first place and a \$200 United States Savings Bond by the Herald Express.

Champion of Western States

As representative of the southern division, Sulmeyer next journeyed to Mills College in Oak-

land for the Pacific Coast finals where he completely swept the field and was unanimously proclaimed the champion orator of the western states division.

Tomorrow Sulmeyer will compete for national distinction with the two representatives of the central and eastern states divisions.

In addition to bringing credit and recognition to himself and to the school, Sulmeyer's win in Los Angeles was responsible for an award of 100 dollars to the Caltech speech department ably directed by Dr. John A. Schutz.

Topic: Life of Franklin

The annual contest, sponsored by Hearst Newspapers, honors an early American patriot, and this year it dealt with the life of Benjamin Franklin. Sulmeyer's winning oration, called "The Philadelphia Story," told of Franklin's humble beginnings and said in part:

"Today we honor Franklin as a scientist, a statesman, a scholar. We knew him as a kind philosopher. We remember him as a wise old man, the father of American Diplomacy, the sage of the American Revolution. An embodiment of man's purpose, a federation of man's achievement."

This signal honor climaxes four years of active participation by Sulmeyer in Caltech forensics where he has repeatedly shown high proficiency.

Contests, Dancing At Rustic Affair

With the aid of George Merkel, a last minute dark horse discovery, Dabney guzzled to a very narrow win over Ricketts in the crew race at the Ricketts-Dabney Barn Dance, held at Mountain Oaks last Saturday night. This victory entitles Dabney to be the first possessor of the new Interhouse Trophy, now being prepared by the Acme Brewing Company for donation to the Student Houses.

Polka Contest

In addition to the usual sporting events, a polka contest was held as part of the evening's activities. After getting off to a false start with a fast waltz, the contest was begun again, this time with a polka. From six couples selected by the judges in a series of eliminations, Hal Tyson and his date were chosen by applause as the exhausted winners.

More Bull

The rest of the evening was spent dancing and listening to the music of Dave Warren and his Jazz Combo. The entire dance was certainly one of the outstanding successes of the year, and each house is to be congratulated for the manner in which it was carried out.

Ricketts, Fleming To Hold Spring Formal

With the accompaniment of a soft music and a star studded sky, Ricketts and Fleming Houses will hold their Spring Formal Dinner Dance Saturday night in the court between the Houses.

The evening will begin at eight o'clock with the serving of buffet dinner, and dancing to the music of Herb Adkins and his orchestra will begin at nine.

Next day the Rowdies and partners will complete a very eventful week-end with their second beach party of the year at Barking Sands private beach.

TRACKSTERS LOSE MEET TO REDLANDS PATHMEN

Caltech's luckless track team lacking anybody to take a place in the javelin, lost their final track meet of the season to the University of Redlands by the very close score of 66 to 65 last Friday in Tournament Park.

Broken Records

This year's record wrecking rampage rolls on at a rapid rate as Hal Tyson knocked the shot-put record held by Don Tillman clean out of sight by adding 9 inches on the Don's old mark of 47 ft. 3 in. Tyson's new record of 48 ft., brings to 4 the number of school records broken this year.

Many Firsts

There were several good performances turned in by the local spikesters. The most thrilling race of the day was the 880 in which Dick Cornelius, running his first half mile in competition, tied with the Redlands man for first place honors in the very respectable time of 2 min. 1.4 secs.

Barnes Back

Stan Barnes was ready to run for the first time since he pulled a muscle in his leg early in the season. He showed well by taking a first in the 440 in 51.5 secs. Ancient Earle Brown took second. Bob Funk who has also been nursing a bad leg muscle all season, came through with a

(Continued on Page 4)

Tech Varsity, Frosh Nines Meet Oxy Here

Caltech rooters will be treated to a simultaneous doubleheader tomorrow afternoon when the Varsity baseball squad plays Oxy's Tigers on the northwest portion of Tournament Park, and the Frosh meet the Tigercubs on the southwest corner of the field. The Varsity game is set for 3:00 p.m. while the Frosh begin play at 3:30 p.m.

Second Varsity Meeting

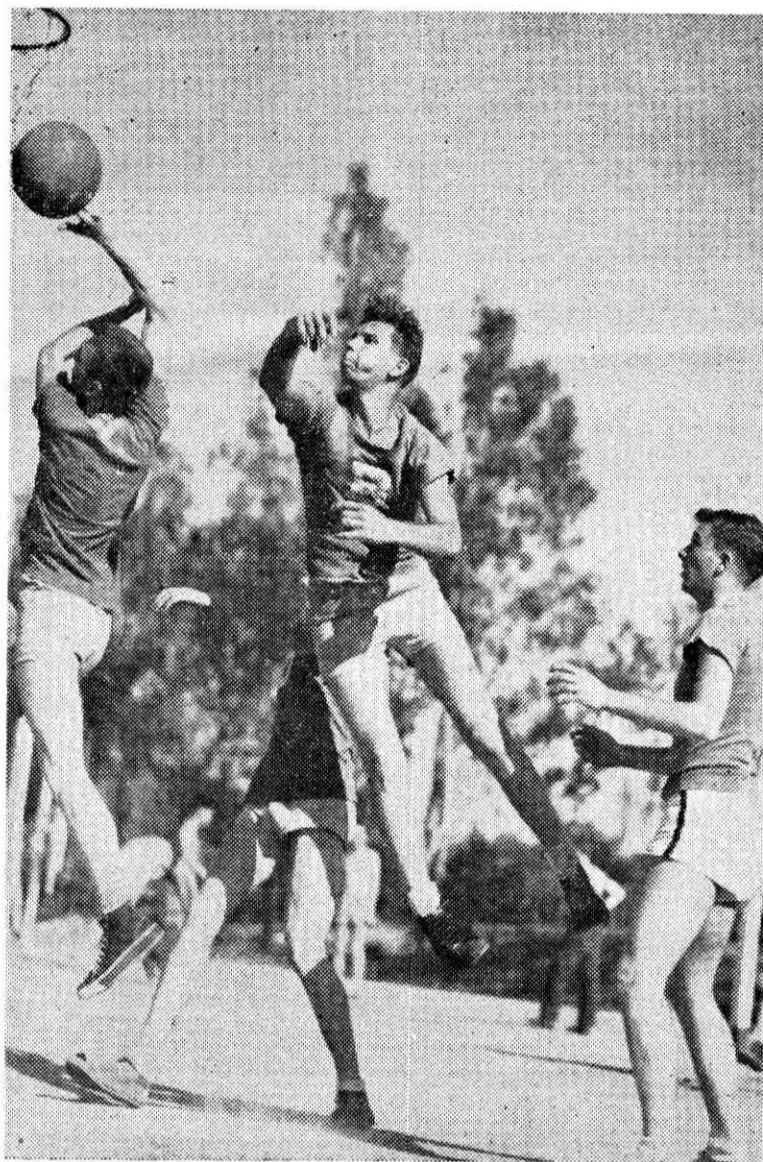

In previous contests the Preiserlemen lost to the Tigers 11-6 but Friday's game will be anything but a pushover for Oxy with the Beavers at full strength. In two Frosh games the Oxy Freshmen have walloped the Tech Frosh each time. Saturday's contest will end the season for the Frosh.

Larry Meryz of Pomona broke

(Continued on Page 4)

Beaver Sports

BRUINGTON STRAINS

Art Bruington gives his all in blocking a lay-in by Dave Reese in a recent Dabney-Blacker Interhouse basketball contest. The player behind Bruington is Chuck Moody, while Blacker's Ed Pyatt looks on. The game will be replayed due to a misunderstanding in eligibility rules.

Mermen Second In Swim Meet

Frosh Take Third In Battle at Oxy, Dick Libby Sets New Record in 220

In a record setting Conference Swimming Meet held last Saturday at Oxy, the Caltech Varsity squad placed a substantial second, and the Frosh team netted the third spot while the Tiger crews took both first places. The final scores were Oxy 87, Caltech 49½, Pomona 21½, Redlands 6, and in the Frosh meet it was Oxy 64, Pomona 36, Caltech 28, and Redlands 9.

Six new records were set at Saturday's meet, two of them by Caltech's Dick Libbey, four by Occidental.

Libbey set a new conference record in the 220 yard free style at 2:28.6 during prelims held last Thursday. Although he won first place again in the Conference meet, his Saturday time of 2:33.2 wasn't quite down to his newly set record.

The star Frosh paddler also pulled to an easy first place in the 440 yard free style in the new Caltech record time of 5:43.3.

The other new conference records were set in the Medley relay by Oxy's Brubaker, Evans, and Wadsworth at 3:17.2, in the Varsity 220 by Oxy man, Scoles, at 2:25.5, and in the 100 yard free style by Crosby of Oxy at 55.1 sec., a new Frosh record.

Outstanding race of the day was the breast stroke in which Bill Palmer lead Tigerman, Brubaker, throughout 200 yards to win

Caltech's only first place. Although Brubaker had won over "The Wig" Palmer in two previous meets, he proved unable to overcome the lead which Palmer quickly obtained in the first lap of Saturday's race.

Golfers Drop Second Meet

Last Friday at Montebello, the Caltech golf team suffered its second defeat of the season, again at the hands of Pomona. This defeat rules out any possibility of Tech taking over first place honors from the Sagehens. The match was a close one all the way, and the outcome was in doubt until the last putt had been dropped. When the points were finally totaled, Tech came out on the short end of a 9½ to 8½ score.

TRACKSERS LOSE

(Continued from Page 3) second in the 220. Chinn and Schroeder came through with first places in the broad jump and low hurdles respectively.

High Marks

During the course of the season Tech track titles toppled like tenpins. Elroy (Rabbit) Chinn started things off by breaking his own year old mark in the broad jump, new mark, 22 ft. 6 1/2 in., the occasion being the inter-class meet early in the season. Next man to change the record books was Martin Walt, who set a new pole-vault mark of 3 ft. 3 7/8 in. in an informal meet with the LAAC.

Low Hurdles

The Conference Track Meet was the scene of Dwight Schroeder's record breaking performance in the low hurdles, his new mark being 24.35 secs. And to complete the list of new record holders we have Hal Tyson's new shot put record spoken of above.

Looking Back

Track, being more a measure of an individual athlete's prowess than the team sports such as football, basketball and baseball, cannot be too well compared with these sports. And yet, when it comes to winning meets in competition with other

Oxy, Poets Down Tech Racketeers

Caltech's Varsity Tennis squad dropped both of its matches this week to Occidental and Whittier by a narrow margin of 5 to 4 in each encounter. These were tough losses for the Varsity, and particularly hard to take since both schools were previously beaten by Caltech on our home courts.

Conference Tournament

Winding up this year's tennis season will be the Conference Tournament which takes place at Redlands on Friday and Saturday. Entered from Caltech will be Bill Shivar and Ed Alexander, since they hold the number one and two spots at Tech. The doubles entries have not yet been decided.

schools, the track team seems to be plagued by the same trouble as most Tech teams, that is, lack of depth and manpower. No school in the conference had any more, if as much, as we did in the way of outstanding individual athletes, however, lacking men to take seconds and thirds was the prime reason for Tech not taking more meets.

GOLFERS DROP

(Continued from Page 3) This Friday will find the Tech team touring to Whittier's home course, the Hacienda layout, for the 36-hole medal play Conference Tournament. Tech, Pomona, Whittier and Redlands will all be represented. The four best medal scores from each team will be totaled to make up the team score for the tourney. As has been the case during the rest of the season, Tech and Pomona should be battling it out for top honors. The Beavers' showing is sure to include cards by Harry Moore, Ed Revay, and Bob Benton. Revay and Moore should be in the 150's, with Benton not too far behind. The lowest medal submitted by Barrie, Moffat and Sims will round out the score.

TECH VARSITY

(Continued from Page 3) up the Tech-Sagehen game last Saturday with a four-bagger in the 12th inning to hand Caltech its sixth straight loop defeat, 9-8. In a game the day before at Pomona, the Sagechicks beat the Caltech Frosh 19-2.

Ricketts to Keep Discobolus Trophy

Ricketts retained possession of the Discobolus trophy by defeating Throop Club in bowling Monday. Ricketts won each game, and the series, 2417 to 2263. Woody Bratnober of Throop

led the individual scoring with games of 199, 199, 174 for a 572 total, while Andy Check topped the victors with 184, 156, 177, total 517. Other totals for Ricketts: Bob Levy, 492; Bill Root, 485; and Roger Anderson, 457. For Throop: Ray Heggland, 510; Ralf Ericson, 451; Gene Mooring, 380; and Walt Eatherly, 350.
