An aerial photograph of a university campus, likely the University of California, Los Angeles, showing various academic buildings, green spaces, and surrounding mountains under a cloudy sky. The image is split vertically, with the left half showing a darker, more detailed view of the campus and the right half showing a lighter, more distant view of the same area.

Academic Awards

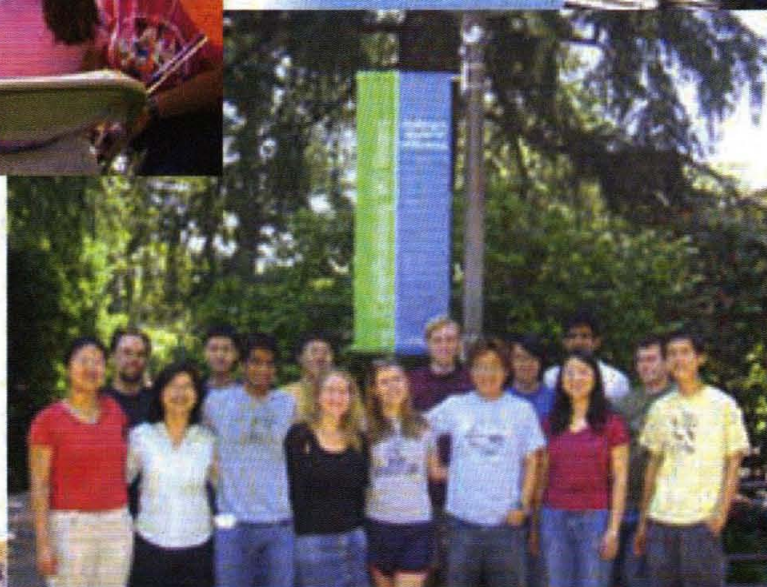

The Caltech Y is a nonprofit organization that provides students with leadership opportunities in outdoor, community service, cultural, and educational programming. 2006 is our 90th year of making a difference, exploring the world, encouraging social awareness, and providing a space for students to relax. Overseen by the student executive committee, Y programs and volunteering opportunities are open to the entire Caltech community. Anyone can get involved and share their excitement in whatever they love most, from hiking in the sierras to exploring LA restaurant, from barbecuing during Decompression to volunteering in Mexico.

The Caltech-Occidental Symphony gave its first-ever benefit concert in April, for the Union Station Foundation, Pasadena's Homeless Shelter. The concert, held at All Saints Church in Pasadena, was an enormous success. Other highlights of the year were senior Kevin Peng winning the Concerto Competition with Rachmaninoff's Second Piano Concerto, and a joint concert in May with the Caltech Glee Clubs and Chamber Singers.

Men's Baseball

The Caltech Baseball team opened their inaugural season on a new and improved home baseball field. The team finally had the opportunity to host a home game after more than two years of waiting. After two years of scrambling for practice fields and playing all of their games on the road, Coach D'Auria and company started the 2006 campaign by hosting an exhibition doubleheader versus Dodgertown West.

The Beavers played eleven home dates including one against the Alumni of March 4th and left the friendly confines for a trip to Northern California to play Simpson University. Their final three games were played on the road. Caltech announced plans to rejoin the SCIAC as a full member in baseball for the 2006-07 academic year.

Women's B·a·s·k·e·t·b·a·l·l

One could look at the zero that begins the Caltech record for the 2005-06 season and assume that progress wasn't a word the program was using these days to describe things. But then that person would be wrong. Yes, the team faced a season without a win, and yes, in the shadow of a pair of wins a season ago, it could seem like a step in the wrong direction. However, progress comes in many forms, and is much like an onion in its many layers.

"Progress is relative," comments head coach, Sandra Marbut.

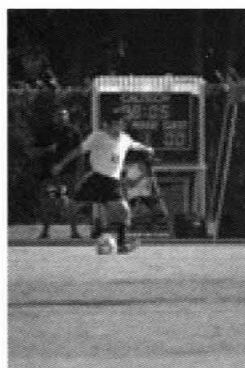

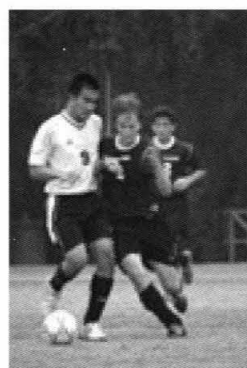

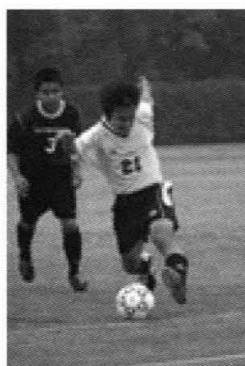

One layer is the schedule. At first glance it has the same number of games as last year, so what is the layer? "This is the first year in the program's history we have played a completely Division III schedule. Sometimes you have to put yourself out there now and then to get a sense of what you have to do. We played a really tough competitive schedule without potentially easy wins this year," notes Marbut. The next layer is the statistical picture for the year. For the second straight year, the team broke the single season scoring record for most points in a season as well as for the most points averaged in a season. A layer that is tough to quantify but still there is the overall maturity the team gained. "I could see it as the season went by. We were running out our offense more. We didn't have much trouble with that and most often got to take good solid shots with a reasonable amount of time expired. The few times we got a little close, we still found a good shot and scored a few baskets with 1 or 2 left to tick away," said Marbut. Sophomore Rene Davis commented, "I think that we did the best we could with our season. There were a lot of unexpected things, but that the way life will always be so if anything, we learned about how to make adjustments and just keep on truckin'. We had to rely on each other for support in many ways and we came out of some tough situations a very close group. With all the losses, we never got upset with each other. That is really saying a lot about what we all are working for. We all understand we can't get there without each other." Frosh Marie Giron added another layer. "We made progress. A lot of it was mental and learning what mindset to have when we are in the middle of the game and need to push ahead," noted Giron. All in all it was a season of many layers and many victories. They may not have been seen on the score board, but they were there all the same.

Men's Basketball

We opened with 5 games in the first 10 days of the season, including games against Edge-wood College (17-10), followed by Cal State-East Bay (19-9). We traveled to Texas over the Thanksgiving holiday to play a return game with the University of Dallas and played in a tournament at Southwestern University with SCAC powers Southwestern and Trinity University. Trinity (25-7) advanced in the NCAA tournament last season and Southwestern (20-7) narrowly missed an invitation to the Division III "Big Dance". A respite for the final week of classes and final exams followed that trip before we resumed the season hosting two December tournaments. In mid-December we played the Milwaukee School of Engi-neering (11-15) on the first day with a contest the next day versus the University of Puget Sound (22-4). UPS was consistently ranked in the national Top Fifteen last year as was Trinity. We broke for the holiday and then concluded our non-conference schedule hosting our third tournament with the following schools: Rivier (NH), Cornell College (IA), Illinois College (IL). Single home games against Willamette (11-14) and Chapman (18-7) concluded the ambitious non-conference portion of the schedule.

Men's Soccer

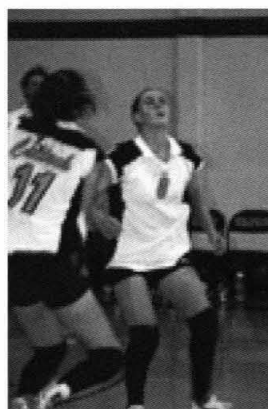

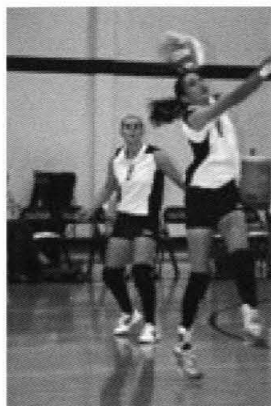

The Caltech Men's Soccer team finished its season with strong performances against Occidental and CSU East Bay. Against Oxy, Sophomore Nathan Chan had his second goal of the season and Senior Defender Eric Kelsic had his first in a 2-5 loss. It was the first time Caltech has scored two or more goals against a conference opponent in two years. Against CSU East Bay, Senior Midfielder Chris AhNew scored his fifth goal of the year in a 1-6 loss. AhNew finishes the season leading the team in scoring. The team finished with a 0-17-1 record, in a hard fought season that saw them lose their starting Goalkeeper to injury in pre-season. Despite losing some Seniors to graduation, the future of the program looks strong. Congratulations to the whole team on the conclusion of their season.

Men's & Women's Swimming

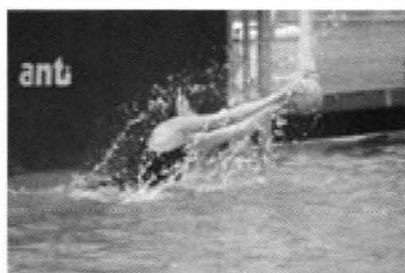

Caltech served as the host institution for this year's SCIAC Swimming & Diving Championships which was held on February 16th thru 18th at the Cerritos Olympic Swim Center. Caltech Divers came up big with senior Rebekah Eason from Dallas, TX placing 1st in the 3-meter and 2nd in the 1-meter dives for women. On the men's side, Ben Pelletier a junior from Saline, MI placed 4th in both the 1-meter and 3-meter events. Congratulations to Coach Allison and Coach Dodd on a great season of swimming and diving.

Women's Volleyball

This season, the Caltech Volleyball team welcomed back former head women's volleyball coach Maureen Burl after a break from coaching. Coach Burl brought with her a wealth of knowledge as a former collegiate volleyball and softball student-athlete at Boston University along with her experience as Caltech's head women's volleyball coach from 1995 through 1999. The team was led by the senior leadership of outside hitters and twin-sisters Elizabeth and Rebecca Streit of the 2006 squad. This year's team included Catherine Chou, Sarah Stidham, Tencia Lee, Rene Davis, Erin White, Elisabeth Streit, Rebecca Streit, Lauren Lee, Esther Wang, Colleen Moody, and Marie Giron.

Men's & Women's Water polo

The Caltech Men's Water Polo team ended its season this weekend at the 2005 SCIAC Conference Championships hosted at Loyola-Marymount. Despite a tough season, a number of players have stood out for Caltech this year. Senior Ben Olsen has capped his career with a 28 goal season going into the Championships, a total that leads the team. Junior Tom Jurczak, Junior Daniel Oliver and Freshman Thomas Oliver have all had excellent seasons, and Junior Kurtis Ras performed well in his first season as starting goalkeeper. Good luck to the whole team this weekend!

Three days after the 2006 SCIAC Swimming & Diving Championships, the Women's Water Polo team headed to Chapman University for a two-day season opening tournament on Saturday and Sunday, February 25 and 26. Coach Allison and company rapidly switched from swimming & diving to water polo and they were all ready for the challenge. On March 3rd, the team went up north to play UC Santa Cruz in a single game and then on to Cal State East Bay for a tournament on March 4th and 5th.

Men's & Women's Track & Field

At the Occidental Invitational on Saturday, May 13th, the men's 4X400 relay team, including Matt Kiesz, Patrick Boyle, broke a 70 year old Caltech Record running a 3:18.30. The previous school record from May 22, 1936 was 3:19.00. Team members included Stuart Ward, Jeremy Leibs, Tim Tirrell, Patrick Boyle, Ransom Poythress, Dmitriy Kernasovski, Jordan Carlson, Tyson Mao, Mark Eichenlaub, Tom Jurczak, Kevin Dick, Matt Kiesz, Nathan Chan, Will Shao, Chris Gonzales, David Rosen, Yikes Lu, Zack Higbee, Andrew Lai, Kevin Noertker, Peter Sadowski, Bennett Coulson, Helen Tai, Eva Murdock, Angela Magee, Elette Boyle, Rene Davis, Tatiana Gueorguieva, Gina Gage, Sarah Stokes, Natalie Szveda, Katherine Breeden, Rebecca Barter, and Tencia Lee.

Men's & Women's C·r·o·s·s C·o·u·n·t·r·y

The Caltech Cross Team finished its season at the SCIAC Conference Championships. Senior Ekua Anane-Fenin finished her season leading the Women's team once again in the 6k, finishing with a time of 24:32.90. Sophomore Gina Gage was next with a time of 26:29.70. She was followed by Sophomore Sarah Stokes with a time of 26:54.90. On the Men's side in the 8k, injuries again made for a difficult day for Caltech. Sophomore Matt Kiesz had the top finish with a time of 28:35.40. Senior Team Captain Gustavo Olm finished his intercollegiate career in the team's fourth-place spot with a time of 29:40.70.

Congratulations Day!

As I have watched you grow from the ambitious, determined, rambunctious little boy to the wonderful young man that you have become I am so proud and happy. You have a great future ahead of you because you have paved the way. Take your kind spirit and caring heart along with your education and knowledge as you embark on this new journey in life. You will have much success!

Love,
Mom

To **Grant** and the graduating class of Caltech:

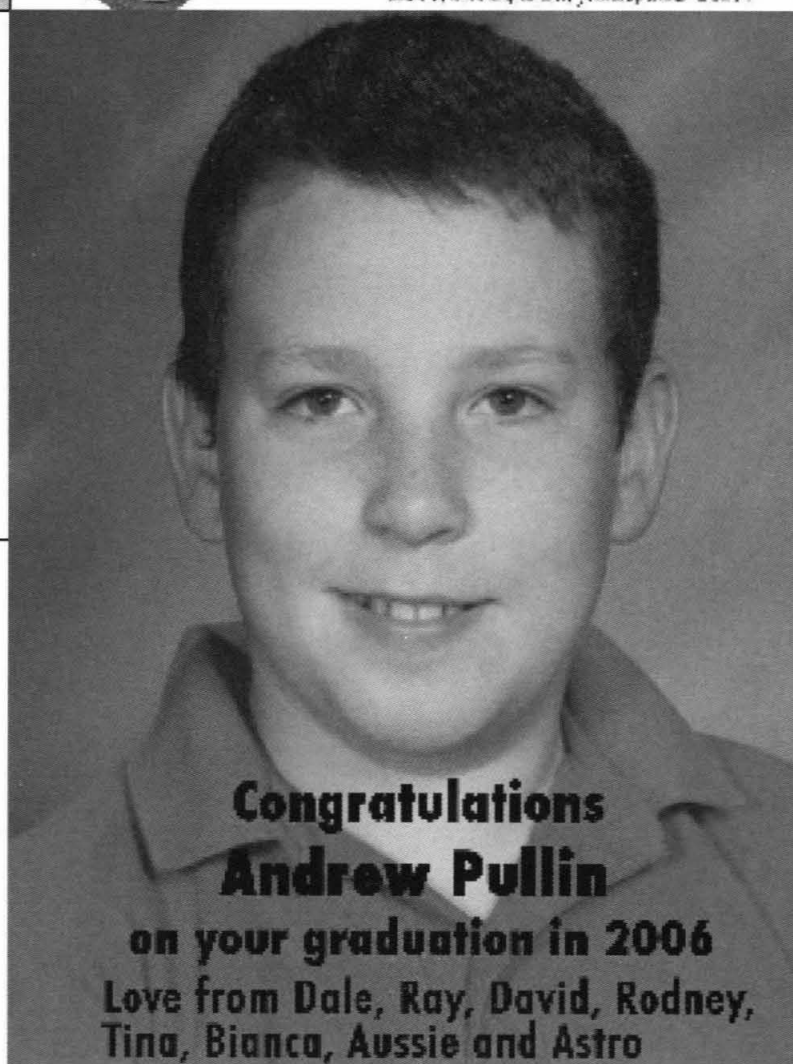

If I may be so pretentious as to offer some advice, quoting author Po Bronson:

A conventional "success" story is one where, with each next, the protagonist has more money, more respect, and more possessions. I'd like to suggest an alternative "success" story one where, with each next, the protagonist is closer to finding that spot where he's no longer held back by his heart, and he explodes with talent, and his character blossoms, and the gift he has to offer the world is apparent.

I wish you this kind of success. Congratulations!!

Congratulations Chris!

Your passion, perseverance, dedication, and commitment towards your major calls for admiration. Watching you develop your strength of character and meet the challenges Caltech has posed to you these past four years has been inspiring. Graduating from Caltech is a huge accomplishment. Words cannot express how proud we are.

Love you always,
Mommy and Anna

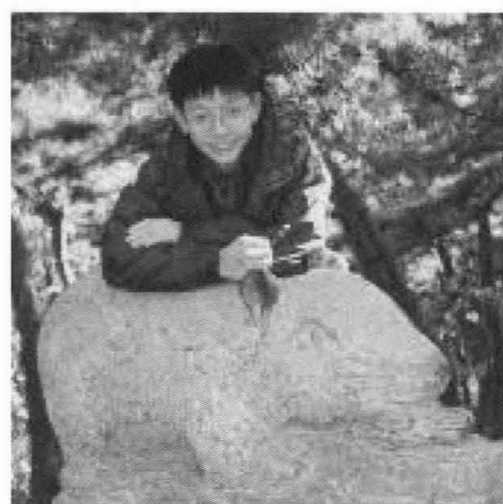

Congratulations Simon!

We are very proud of you every step of the way towards your graduation day! It was a great journey and you completed it with your heart. We love you for all you've been, for all you are, and for all you're yet to be.
