## Welcome from the Caltech Y!

### KAVYA SREEDHAR

Caltech Y President

Hi prefrosh and welcome to Caltech!

We are the Caltech Y Executive Committee Cabinet for this school year and wanted to introduce ourselves and the Y. If you have any questions and/or are interested in planning programs with us, feel free to reach out any Cabinet member, email [caltechy@caltech.edu](mailto:caltechy@caltech.edu), or call the Y at 626-395-6163.

Caltech Y President: Kavya Sreedhar ([ksreedha@caltech.edu](mailto:ksreedha@caltech.edu))

Caltech Y President: Kavya Sreedhar ([ksreedha@caltech.edu](mailto:ksreedha@caltech.edu))

I'm Kavya, an EE senior in Avery House. The Caltech Y is an organization with awesome programs in 5 main pillars: leadership, service, adventure, perspective, and civic engagement. With the Y, students have worked with MEDLIFE in Peru, seen Trevor Noah live in LA, tutored elementary school kids on campus, gone camping in the Grand

Canyon, and listened to US ambassadors talk about global policy. I love the versatility of the Y's programs and the ability for you to pursue passions outside of STEM and be introduced to new experiences as well. As freshman, you all are subscribed to our weekly email announcements list so if anything catches your eye, feel free to get involved and attend a program!

Caltech Y Vice President: Can (Sunny) Cui ([ccui@caltech.edu](mailto:ccui@caltech.edu))

I'm an EE major hailing from Vancouver, Canada. I love traveling, both locally and abroad, to learn more about the world around me and how we can make it a better place. The CaltechY provides a lot of great programming that help students develop global citizenship and make an impact – it was this aspect that first attracted me to get involved. Now, as a member of Cabinet, I hope to extend existing programs and enhance outreach to bring more people into our community and to increase the Y's presence on campus.

Caltech Y Secretary: Hazel Dilmore ([adilmore@caltech.edu](mailto:adilmore@caltech.edu))

I'm Hazel Dilmore and I'm a sophomore in Avery majoring in biology. Outside of classes and lab, I'm very passionate about public health, sustainability, and education policy, all of which I've been able to explore with the Y. In the next year as excomm secretary, I'm excited to increase the Y's reach around campus and to expand our programming. Specifically, I'm eager to roll out a new series through which students can try exotic fitness classes at a discounted rate!

Caltech Y Secretary: Hazel Dilmore ([adilmore@caltech.edu](mailto:adilmore@caltech.edu))

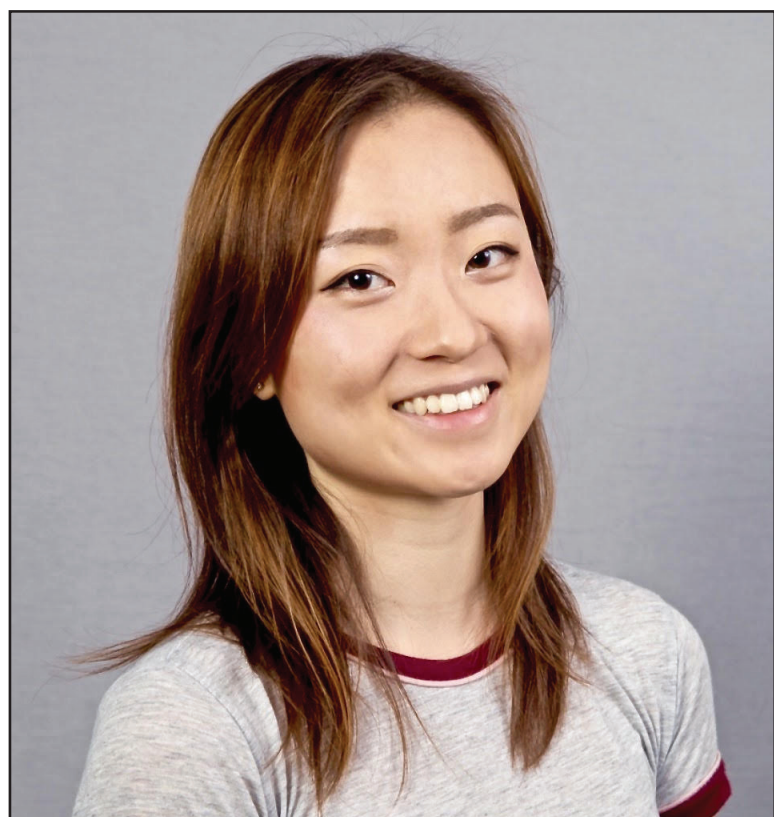

Caltech Y Treasurer: Sirisha Gudavalli ([sgudaval@caltech.edu](mailto:sgudaval@caltech.edu))

Caltech Y Treasurer: Sirisha Gudavalli ([sgudaval@caltech.edu](mailto:sgudaval@caltech.edu))

My name is Sirisha, and I am a freshman in Lloyd majoring in bioengineering. I've been a part of the Y since the beginning of last year, and heard about all the great opportunities it provides to students back during PFW. This coming year, I am excited to serve on the

Cabinet and help continue the programs and events the Y coordinates. I personally love being in the outdoors and exploring new areas/events in LA, and hope to introduce others to such activities as well.

Caltech Y Vice President: Can (Sunny) Cui ([ccui@caltech.edu](mailto:ccui@caltech.edu))

# Freshman Yu Advances to Flight B Finals

# Ganapathi named to All-Sportsmanship Team

CLAREMONT, Calif. (Sept. 29, 2018) – Freshman Jennifer Yu (Queens, N.Y. / Stuyvesant) of the Caltech women's tennis team has advanced to finals of the Flight B singles tournament at the ITA West Regional Championship.

Yu needed to go through second-seeded Brennan Foreman of California Lutheran University but did so in come-from-behind fashion. Yu won the match 5-7, 6-1, 6-2, then proceeded to handle Foreman's teammate Nicole Alvarez, 6-1, 6-2, to earn a spot in Sunday's final. Yu, an unseeded player, will be facing fourth-seeded Lucy Jiang of Pomona-Pitzer Colleges at 9 a.m.

In the 'Flight A' doubles draw, senior Kana Moriyama (Redmond,

Wash. / Redmond) and sophomore Sarina Liu (Rolling Hills, Calif. / Palos Verdes Peninsula) defeated Seeman and Kurdys of Cal Lutheran, 8-4, before falling to second-seeded Chen and Casper of Pomona-Pitzer in the quarterfinals. Liu also competed in the 'Flight A' singles consolation draw and earned a victory by default in the first round before coming up short of the University of Redlands' Mia Fitzgerald in the second round. Freshman Anna Tifrea won a pair of consolation matches herself, defeating Alisa Ogranovich of Chapman University, 6-1, 6-2, before winning big over Anna Rodriguez of Whittier College, 6-2, 6-2. Additionally, Tifrea came up short in a razor-close match against Ashley Isaac of the University of California Santa Cruz where every set was decided by two games or less (5-7, 7-6(5), 12-10).

CLAREMONT, Calif. (Sept. 28, 2018) – The sophomore men's doublesteam consisting of James Wei (Chappaqua, N.Y. / Horace Greeley) and Varun Shanker (Midland, Mich. / Midland Dow) survived two more tiebreakers to advance to the men's doubles Flight A championship at the ITA West Regional Championship.

The sophomores first defeated Carroll and Vemuri of defending SCIAC champion Claremont-Mudd-Scripps Colleges, and slid by thanks to a 7-5 result in the tiebreaker, then achieved similar success against Gearou and Kronenberg of Pomona-Pitzer Colleges where they won 7-4 in the decisive tiebreaker. Shanker and Wei will next face off against second-seeded Katzman and Gordy of CMS on Sunday, with the claim to the SCIAC's very best men's doubles pairing on the line.

In men's singles action, freshman Matthew Gonzalgo (Plantation,

Fla. / St. Thomas Aquinas) won a dominant first set over Joey Schwartz of Pomona-Pitzer in the quarterfinals of 'Flight B,' but fell victim of a strong rally in the second and third sets, while junior Connor Soohoo (Redwood Shores, Calif. / Crystal Springs) faced a similar fate, winning the second set, 6-4, over Thomas Reznick of the University of Redlands before coming up short in the fifth set. Classmate Miha Valencic (Colleyville, Texas / Grapevine) picked up a win in the men's Flight A consolation round when he defeated Jay Yeam of CMS, 6-2, 6-1 before walking through to the semifinals only to come up short against Yeam's teammate, Alfred Simental. Meanwhile, sophomore Kevin Yu (Mason, Ohio / Cincinnati Country Day) rebounded from Friday's match with a pair of wins in the consolation round of 'Flight B,' first defeating Thomas Kozowski of Whittier College in a match ending with a 10-8 super tiebreaker before walking out victorious against Nils Skattum of Pomona-Pitzer, this time 10-5 in the decisive super tiebreaker.

## Men's Polo Leads at La Verne

## Polo Trades at La Verne

LA VERNE, Calif. (Sept. 29, 2018) – The Caltech men's water polo played arguably its best SCIAC game of 2018 at the University of La Verne and had the game within reach heading into the fourth quarter of Saturday's game.

The Beavers had the Leopards well scouted early on and entered halftime knotted at four goals apiece. Sophomore center Steven Csaposs (Davis, Calif. / Davis) led the visitors with three goals, including two in the first half in addition to the first goal for either team in the third period to put Caltech ahead by one. Classmate Alex Janosi (Ann Arbor,

Mich. / Dexter) also had another stellar outing with two goals, one assist, three steals and a perfect day on sprints. A big reason for the Beavers' early success came down to offensive execution and a willingness to get shots off, as merely one shot separated the two clubs. Senior goalie Shaurya Gilani (Chicago, Ill. / Adlai Stevenson) played the entire game for the first time this season and came away with eight saves.

Head Coach Jon Bonafede and the Beavers will compete on the road Wednesday, Oct. 3 at Claremont-Mudd-Scripps Colleges.

## NOMINATE YOUR FAVORITE PROFESSOR FOR THE FEYNMAN TEACHING PRIZE!!!

Here's your chance to nominate your favorite professor for the 2018-19 Richard P. Feynman Prize for Excellence in Teaching! You have from now until December 15, 2018 to submit your nomination package to the Provost's Office to honor a professor who demonstrates, in the broadest sense, unusual ability, creativity, and innovation in undergraduate and graduate classroom or laboratory teaching.

The Feynman Prize is made possible through the generosity of Ione and Robert E. Paradise, with additional contributions from an anonymous local couple. Nominations for the Feynman Teaching Prize are welcome from faculty, students, postdoctoral scholars, staff, and alumni.

All professorial faculty of the Institute are eligible.

The prize consists of a cash award of \$3,500, matched by an equivalent raise in the annual salary of the awardee. A letter of nomination and detailed supporting material, including, but not limited to, a curriculum vitae, course syllabus or description, and supporting recommendation letters should be emailed to [kkerbs@caltech.edu](mailto:kkerbs@caltech.edu) or directed to the Feynman Prize Selection Committee, Office of the Provost, Mail Code 206-31, at the California Institute of Technology, Pasadena, California, 91125. Nomination packages are due by December 15, 2018.

Additional information including guidelines for the prize and FAQ may be found at <http://provost.caltech.edu/FeynmanTeachingPrize>. Further information can also be obtained from Karen Kerbs (626-395-6039; [kkerbs@caltech.edu](mailto:kkerbs@caltech.edu)) in the Provost's Office.

## Prefrosh Separated From Parents and Sent to Caltech Camp Concerned Citizens of Caltech

Recently, the Concerned Citizens of Caltech (CCoC) have received word that around 240 prefrosh were placed into what many are now calling "Frosh Camp." From what we have heard, this camp started on Sept. 23rd when people first started arriving at Caltech from various different places. After arriving, these individuals lined up in front of administration personnel and administrative sympathisers where their documentation was checked and all persons were assigned new identification numbers. After moving into temporary housing, the prefrosh were herded in front of the administration building to have their picture taken.

Later that evening, individuals slowly trickled into dinner where they were split into separate national groups

and each assigned a "Counselor." These counselors were approved by the administration to help them oversee the prefrosh as they moved from place to place in Frosh Camp, mitigating any deviations from schedule. Some counselors even encouraged stealing of national flags, creating distrust and suspicion.

The next day, the CCoC learned that the prefrosh were then marched to a large room where they were given an introduction by one of the head administrative officers Kevin Gilmartin, author of the lecture "The Counterrevolution Is Not Over." With the counselors watching, the prefrosh clapped heartily for Gilmartin's speech. Prefrosh were then subject to panel after panel, lecture after lecture to

instill within them values that Caltech holds in high regard. These proceedings continued for several days. Even more concerning to the CCoC is that the prefrosh seemed extremely confused as they went to a different place for dinner and dessert everyday.

In light of all this information, the CCoC urges everyone to think about the values that we the people at Caltech hold dear. As such we give each and every one of you a call to action to help these prefrosh during these trying times. Think about what they are going through, especially as they will soon be assigned work to do where their only compensation is a score given by the administration.

Have fun and happy rotation!

We are always accepting submissions for comics, and will pay you.

Letters from the Editors-in-Chief This week's recommended Tech usage after reading is:

Sophie Piao: they're all fine houses, but only one controls the press at the highest levels...

Amrita Rhoads: I hope Rotation is treating everyone well qq. My condolences to all who have 9 ams this term.

Milan Roberson: To all the prefrosh who never envisioned controlling a press outlet, you too can be a Tech Editor in 2 terms' time.

Dan Xu: If anyone is interested in a blockchain currency backed in ramen noodles, I have a hot new startup!

Figuring out your rotation schedule 5 days late.
